HOW IT ALL GOT STARTED

Carroll's® Sausage was founded in 1988 by Thomas and Anne Carroll using an old family recipe handed down and refined for generations. The Carrolls owned and operated the store until 2001 when Hugh Hardy, Jr. purchased it, along with the secret recipe for world famous Carroll's® Sausage. Today, over 25 years later, we're proud to still be serving the finest sausage in Georgia to the finest folks around.

Carroll's® now makes over forty varieties of sausage and won the "Flavor of Georgia People's Choice" Award in 2016 and 2017. In 2017, Carroll's® took first place in the "Meat & Seafood" category with our new Vidalia® Onion and Cheese Smoked Sausage. This award winning sausage is now available at both Carroll's® locations.
