Chef Holly's Easy Baked Sweet Potato

Large Sweet Potato
Georgia Grown Honey
Butter

Directions:

Wash a large sweet potato. Place it on a large piece of aluminum foil. Put a pat of butter on top. Drizzle with your favorite flavor of Georgia Grown Honey. Roll foil up tightly to seal in potato, honey and butter. Bake in a preheated 350-degree oven for 45-50 minutes or until potato is tender.

Thanks to Chef Holly for joining us on the show and allowing us to cook in the Georgia Grown test kitchen.
