Carroll's™ Sausage Cheese Balls with Pepper Jelly

1 package of Carroll's™ Sausage Cheese Ball Homemade Baking Mix,
or substitute 1 ¼ cup of whole wheat all-purpose baking mix

1 pound Carroll's™ Pan Sausage

2 cups freshly grated sharp cheddar cheese or old fashioned hoop cheese

2 tablespoons finely chopped scallion (optional)

Grumps Original Hot Pepper Jelly, for glazing and serving

Directions:

Preheat oven to 375°. In a large bowl, combine the contents of the Homemade Baking Mix with 1 pound of Carroll's™ Pan Sausage. Combine well. Use your hands if necessary. Once the dry ingredients are completely absorbed into the sausage, mix in the cheese until incorporated. Form mixture into walnut sized balls. Place the balls on a parchment-lined baking sheet. Bake in preheated oven for 15-18 minutes until golden brown and sausage is cooked through.

Heat ¼ cup of Grumps Pepper Jelly in the microwave for about 30 seconds.

With a pastry brush, coat the sausage balls with the pepper jelly glaze, and be sure to serve extra on the side for dipping.

Yields approximately 30-35 sausage balls
